Dear Systems Engineer Hiring Manager,

It is with great enthusiasm that I am submitting my application for the Data Science Position. I attended Columbia Bootcamp in the past. And currently, Springboard online school and completed over 500 hours of hands-on curriculum. I believe this position would be challenging and a great place for me to further my career. My resume is attached for your review. I welcome the opportunity to speak with you about how I can contribute.

If you have any questions about my resume, feel free to contact me either by email or phone listed above.

Thank You,

Vertulie Pierre Louis
